

SAE 40
HEAVY DUTY MOTOR OIL
API CF/SJ

Technical Data

Formulated with high viscosity index paraffinic base stocks and premium performance additives, LUBRISTRONG SAE 40 HEAVY DUTY MOTOR OIL, API CF/SJ is designed for use in high speed, two or four-stroke, naturally aspirated, off-road, and/or indirect injected diesel engines as well as gasoline engines. LUBRISTRONG SAE 40 HEAVY DUTY MOTOR OIL, API CF/SJ can be used in place of CF-2, CF-4, CE, CD, as well as SH, SG, and SF oils.

Specifications

<u>TEST</u>	<u>RESULT</u>
Appearance	Amber, Bright, Free & Clear
Viscosity @ 100C	14.4
Viscosity @ 40C	122.5
Flash Point	410F
Viscosity Index	119

MEETS OR EXCEEDS THE FOLLOWING INDUSTRY OR OEM PERFORMANCE REQUIREMENTS
